- Youth and adult sports leagues
- Teen strength training
- Gymnastics programs for toddlers through adult, with competitive boys and girls teams and cheerleading classes
- P.E. Outreach program to Angier Elementary school students

## **Toby Wells YMCA Developmental Preschool**

The Toby Wells YMCA Developmental Preschool is modeled after the YMCA of Greater Toronto's YMCA Playing to Learn curriculum. It is based upon the idea of combining the concept of education with social services within the learning environment. You develop this environment by creating and maintaining high-quality programs for young children, updating teachers' skills, and exploring new ways of working with young children.

The Toby Wells YMCA provides an understanding of how play provides the foundation for learning to read, write and learn mathematics, science and technology. It provides early educators with the skills to prepare spaces that are conducive to learning and utilizes best practices to encourage quality-learning experiences. The staff will support the parents by providing a safe environment, actively participate in the child's play experiences and observe and document the milestones in the child's life to ensure age-appropriate development.

In addition, all enrolled in the Toby Wells YMCA Developmental Preschool will participate in two 30-minute swim lesson (3+ years of age) provided by YMCA certified swim instructors and two 45-minute gymnastics/tumbling classes provided by YMCA certified gymnastics instructors. The children have access to an age-appropriate playground and all families will receive a family membership to the Toby Wells YMCA, which is valued at \$864 a year.

**For more information on Toby Wells YMCA, including membership, please call (858) 496-9622 or visit us online, <http://missionvalley.ymca.org>**
